

13 kg Twin Tub Washing Machine

This twin tub washing machine has a 13 kg capacity for washing and an 8 kg capacity for spinning. It features separate wash and spin cycles, with input power of 500W for washing and 230W for spinning.

Product Overview

High-Capacity Twin Tub Efficiency

This 13.0 kg twin tub washing machine offers a robust solution for high-volume laundry needs. With a dedicated 13kg washing capacity and an 8kg spin capacity, it allows for efficient, separate processing of heavy loads. Designed with user-friendly controls, it features adjustable wash and spin timers alongside a convenient drain selector for streamlined operation.
