Net Capacity

**75 units**

40HC Loading

## Technical Specifications

### Physical Dimensions

Dimension	Measurement
Width	1300 mm
Depth	700 mm
Height	850 mm

### Energy Efficiency Class

EU Class E

## Cooling & Control

Control Type	Electronic Control
Cooling Technology	Inverter Cooling (Optional)
Thermostat	Adjustable thermostat for precise temperature control

## Design & Features

### Interior Features

- Stylish LED interior lighting
- Removable storage baskets
- Corrosion-resistant interior
- Defrost drain for easy maintenance

### Construction Details

- Robust construction for durability
- Balanced hinge design
- Airtight seal and insulated walls
