

# 13G Polyester Liner Latex Foam Palm Coated Gloves

Gloves feature a 13-gauge polyester liner for comfort and flexibility. The palm is coated with latex foam, providing excellent grip and abrasion resistance.

## ADDITIONAL IMAGES

## Product Overview

### Professional Grade Safety Gloves

These 13-gauge polyester liner gloves are engineered for professionals who require a balance of dexterity, comfort, and grip. The latex foam palm coating provides superior abrasion resistance and secure handling, making them a reliable choice for demanding environments. Designed for breathability and a secure fit, they are well-suited for a wide range of general-purpose tasks.

## Technical Specifications

Liner Material	Polyester
Liner Gauge	13
