

14-Inch Portable Box Fan

This 14-inch box fan offers a compact and portable ventilation solution for personal comfort. Its multi-speed motor provides adjustable airflow, while its lightweight design allows for easy placement.

Product Overview

Compact Ventilation Solution

The 14-inch box fan is a compact and portable ventilation solution designed for personal comfort in homes, offices, and dorm rooms. Featuring a multi-speed motor, it provides adjustable airflow for customized cooling. Its durable plastic construction and lightweight design ensure long-lasting performance and easy transport, while the integrated safety grill protects users during operation.
