Overview

Professional Cordless Performance

This 14.4V cordless drill driver is engineered for versatility and reliability in various drilling and fastening applications. Featuring a high-performance lithium-ion battery system, it offers extended runtime and a convenient one-hour quick charge capability. Designed with ergonomics and precision in mind, this tool includes a two-speed gearbox and variable speed control to handle diverse professional tasks with ease.

Technical Specifications

Voltage	14.4 V
Battery Capacity	1.5 Ah
Battery Technology	Lithium-ion
Quick Charge Time	1 hour

Features

Key Features

- Built-in LED work light
- Two-speed powder metallurgy gearbox
- Battery capacity indicator
- Automatic battery ejection function
- Integrated belt clip

Safety & Protection	Short-circuit protection, Overload protection
