

150cc Street Motorcycle with LED Lighting

This 150cc street motorcycle is designed for efficient urban commuting and leisure rides. It features LED lighting, a durable chassis, and a comfortable riding posture.

Overview

Ergonomic design suitable for city commuting and leisure rides.

Falcon 150cc Street Motorcycle

The Falcon 150cc is a stylish and reliable street motorcycle designed for urban mobility and leisure. Combining an efficient 150cc four-stroke engine with a durable, anti-vibration frame, it offers a smooth and stable riding experience for young riders. Its modern design is complemented by advanced features including LED lighting, a hybrid LCD/mechanical speedometer, and comfortable anti-slip seating.

Engine & Performance

Durable air-cooled engine optimized for heat dissipation.

Performance Metrics

150 cc

Displacement

105 km/h

Max Speed

16 L

Fuel Capacity

Technical Specifications

| Feature | Specification |
|-----------------|----------------------------------|
| Engine Type | 1-cylinder, 4-stroke, air-cooled |
| Fuel System | Carburetor |
| Fuel Efficiency | 2.3-2.5 L/100km |
| Dry Mass | 115-118 kg |

Dimensions & Build

Dimensions

- Dimensions: 2050 x 740 x 1075 mm
- Wheelbase: 1330 mm
- Ground Clearance: 180 mm
- Seat Height: 770 mm

Features

Aerodynamic bionic headlight design for enhanced visibility.

Sporty aesthetic with high-visibility LED turn signals and rear lights.

Core Features

LED Headlight, LED Tail & Turn Lights, LCD/Mechanical Dashboard, Anti-slip Seating, High Strength Frame
