

150cc Utility Motorcycle for On and Off-Road Use

This motorcycle is designed for both on and off-road use. It features a 150cc engine, providing reliable power and fuel efficiency.

Overview

Robust Utility Motorcycle

The HJ150-11A is a versatile motorcycle engineered for both on-road commuting and off-road utility tasks. Featuring a reliable 150cc engine, it balances power with fuel efficiency, making it an ideal choice for transport and daily use. The design prioritizes durability and ease of maintenance, equipped with practical features like a front carrier basket and a rear luggage rack for enhanced utility.

Performance

Color: 	
Dimension	2070 x 780 x 1110mm
