

# 16-Inch Adjustable Height Stand Fan with Remote Control

This 16-inch stand fan offers adjustable height and oscillation for widespread cooling. It features a remote control for convenient operation, allowing users to adjust speed settings and a timer from a distance.

## ADDITIONAL IMAGES

## Overview

Versatile design suitable for living rooms, offices, factories, and outdoor use.

### Versatile 16-Inch Cooling Solution

This 16-inch stand fan offers powerful and customizable cooling suitable for residential, office, and commercial environments. Equipped with a remote control and a 7.5-hour timer, it provides convenient operation from a distance. The adjustable height and wide-angle oscillation ensure optimal air circulation throughout any room.

## Performance & Power

HIGH EFFICIENCY  
AND QUIET MOTOR

Engineered with a high-efficiency and quiet motor for long-lasting performance.

### Performance Highlights

**45 W**

Rated Power

**3**

Wind Speeds

**7.5 Hours**

Max Timer

**Operating Voltage**

110-120V / 220-240V

**Motor Material**

Aluminum or Copper options available

## Design & Construction

**7-LEAVES**  
SOFT WIND BLADE

Advanced 7-leaf blade design produces a softer, more natural breeze.

### Build Materials

Component	Material
Body	Plastic
Blades	PP / AS
Grill	Metal

**Blade Configuration**

7-leaf soft wind blade design

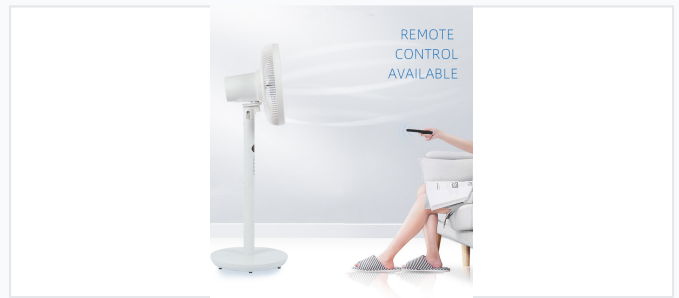

**Base Type**

Round Base, Cross Base

## Adjustability & Control

Adjustable fan head with 45-degree oscillation and 15-degree tilt for precision cooling.

Full-function remote control allows for easy adjustments from across the room.

### Airflow Direction

- 45° Left/Right Oscillation
- 15° Up/Down Tilt Adjustment
- Wide-angle air supply

### Adjustable Height Range

0.9m - 1.3m

### Remote Functions

Power On/Off, Speed Control, Timer Setting, Swing Toggle

## Logistics & Dimensions

### Weight

Type	Value (kg)
Net Weight	5.2
Gross Weight	5.8

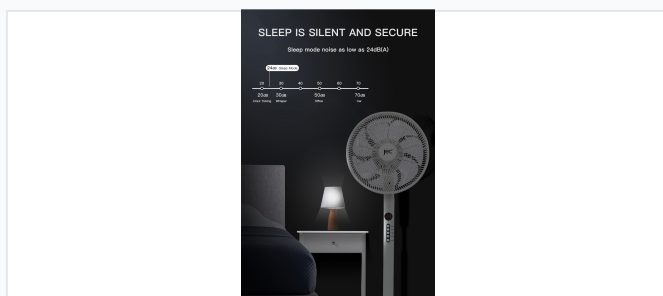

### Container Loading Capacity

- 720
- 1440
- 1780

### Product Size

445 x 400 x 1300 mm

## Compliance & Quality

Ultra-quiet sleep mode operates at 24dB, quieter than a whisper.

Certified for international markets with CE, CB, and CQC approvals.

### Quality Certifications

CE • CB • CQC • SGS Verified

### Silent Operation

Sleep mode noise as low as 24dB(A)
