

16-Inch Children's Bicycle with Caliper Brakes

This children's bicycle has a 16-inch steel frame and steel fork for durability. It is equipped with front and rear caliper brakes for reliable stopping power.

Product Overview

Built for Durability and Safety

This 16-inch children's bicycle is engineered with a robust steel frame and fork, ensuring long-lasting durability for active riders. Designed with safety in mind, it features reliable front and rear caliper brakes to provide consistent stopping power. The air-filled tires offer a smooth ride, making this an ideal choice for young cyclists.
