Product Overview

High-Efficiency DC Pedestal Fan

This 16-inch pedestal fan utilizes advanced DC frequency technology to deliver powerful, quiet, and energy-efficient cooling. Designed for versatility, it features 15 distinct speed settings and an adjustable height, making it suitable for professional environments, offices, and residential spaces. The seven-blade design ensures optimal air circulation while maintaining low noise levels for comfort.

Technical Specifications

Motor Type	24V DC Motor
Blade Design	Seven Blade Design

Performance

Speed Settings	15
Timer Duration	9 Hours

Features

Key Benefits

Energy Efficient • Low Noise • Adjustable Height

Control Options	Remote Control, Digital Display
