## Technical Specifications

### Electrical Parameters

| Parameter    | Value                           |
|--------------|---------------------------------|
| Voltage      | 110-120V / 220-240V             |
| Motor Type   | AC (Aluminum or Copper options) |
| Model Number | LFSY-40PSY                      |

## Design & Build

Flexible design with adjustable height and up/down tilt for precise airflow direction.

Large 400mm base ensures maximum stability during high-speed operation.

Multiple base styles available to suit different floor types and stability requirements.

## Physical Dimensions

| Feature           | Measurement         |
|-------------------|---------------------|
| Product Size      | 445 x 400 x 1300 mm |
| Height Adjustment | 0.9m - 1.3m         |
| Base Diameter     | 400 mm              |

## Construction Materials

- Body: High-grade Plastic
- Blades: PP or AS Material
- Grill: Metal (Mesh or Radial options)

## Safety & Stability

Overheat Protection • Stable Round Base • Optional Cross Base • Safety Mesh Grill

## Logistics

### Packaging Details

| Type             | Specification      |
|------------------|--------------------|
| Package Size     | 490 x 155 x 510 mm |
| Net/Gross Weight | 5.2 / 5.8 KGS      |
| Packing Unit     | 1pc / box          |

### Container Loading Capacity

- 720
- 1440
- 1780

## Quality & Compliance

Compliant with international safety and quality standards including CE and SGS.
