

# 16-Inch Oscillating Pedestal Fan

This 16-inch pedestal fan provides a versatile cooling solution for home or office. It features a multi-speed motor, adjustable height, and oscillating function for wide area coverage.

## Overview

### Versatile Cooling Solution

The 16-inch stand fan is a versatile and efficient cooling solution designed for both home and office environments. Featuring a multi-speed motor and an oscillating function, it provides adjustable airflow and wide-area coverage to suit individual comfort levels. Constructed with a blend of durable plastic and iron, this fan includes a sturdy base and protective grill for reliable, long-lasting performance.

## Technical Specifications

Model Number	LF-40C(9CR)
Product Code	LF-40C(9CR)
Fan Size	400 mm

## Materials & Design

Construction Materials	Plastic, Iron
Color	White

## Logistics

Place of Origin	Guangdong, China
Place of Shipment	Guangdong, China
