

17-Inch Industrial LCD Monitor

This 17-inch LCD monitor features a high-strength and elegant aluminum alloy panel with an IP65-rated front. It supports VESA, wall-mount, and wall-embedded installation.

Overview

Industrial-Grade Display Solution

This 17-inch industrial LCD monitor is engineered for demanding environments, featuring a robust steel chassis and versatile mounting options including VESA and embedded installation. It offers a high-resolution 1280x1024 display with a 1000:1 contrast ratio, ensuring clear and reliable visuals for industrial control systems. With optional infrared touch screen capabilities and multiple input interfaces, this monitor provides a flexible and durable solution for specialized professional applications.

Display Performance

Resolution	1280 x 1024
Brightness	380 nits
Contrast Ratio	1000:1
Backlight Lifetime	50000 hours
Viewing Angles	80/80/70/60

Touch & Interface

Touch Technology	Infrared (Optional)
Touch Resolution	4096 x 4096
Input Interfaces	VGA, DVI, AV Input, Audio Input

Power & Mechanical

Mounting Options

VESA Wall Mount • Embedded Mount

Power Consumption	36 W
