1.7L Electric Kettle with Water Level Indicator

This electric kettle has a 1.7L capacity and a durable plastic body. It features a visible water level indicator and an ergonomic handle.

Product Overview

Sleek and Efficient Boiling

This 1.7L electric kettle combines a streamlined, modern aesthetic with robust performance. Featuring a concealed stainless steel heating element and a unique textured body, it is designed for both style and daily reliability. With advanced safety features like boil-dry protection and automatic shut-off, it is an ideal solution for efficient water heating in any professional or hospitality environment.

Technical Specifications

Power Output
