

1.7L Electric Kettle with Water Level Indicator

This electric kettle boils water quickly and efficiently. It features a water level indicator with markings for minimum and maximum fill levels, ensuring accurate measurements.

Product Overview

Efficient Boiling Solution

This 1.7L electric kettle is designed for efficiency and ease of use in any professional or home kitchen setting. Featuring a clear water level indicator with precise markings, it allows for accurate filling from 0.5L up to the 1.7L maximum capacity. The sleek design includes a chrome accent band, a comfortable handle, and a convenient lid release mechanism for seamless operation.
