

1.7L Stainless Steel Electric Kettle

This is an electric kettle with a stainless steel body and a 1.7L capacity. It includes a water level indicator and a brown handle and lid.

Product Overview

Professional Grade Stainless Steel Kettle

This 1.7L electric kettle combines durable stainless steel construction with user-friendly design features. Engineered for efficiency, it includes a clear water level indicator to help manage energy consumption and boiling times. The ergonomic handle and lid design ensure safe and easy handling for high-traffic environments.
