

18-Egg Carton

This is a carton containing 18 eggs. The eggs are grade A and suitable for various culinary applications.

Product Overview

Premium Cage-Free Eggs

These 18-count cartons feature large, Grade A eggs sourced from hens raised on a strictly vegetarian diet. Committed to high welfare standards, these eggs are certified humane and always cage-free. They are produced without the use of antibiotics, hormones, or chemicals, making them a clean and reliable choice for your inventory.
