

18-Inch Adjustable Pedestal Fan

This 18-inch stand fan provides efficient air circulation for residential and commercial environments. It features adjustable speed settings, oscillation, and a stable base for customized comfort and safety.

Product Overview

High-Performance 18-Inch Pedestal Fan

This 18-inch adjustable pedestal fan is engineered for effective air circulation in both residential and commercial environments. It features a robust multi-blade propeller design, offering multiple speed settings and oscillation capabilities for personalized airflow control. Built with a combination of durable iron and plastic, this fan provides a stable base and adjustable height, ensuring reliable and quiet operation for long-term use.
