

18-Inch Industrial Wall-Mount Fan

This 18-inch industrial wall fan is designed for robust performance and efficient air circulation. Featuring a durable metal construction with a protective wire cage, this fan ensures safety and longevity.

Product Overview

Industrial-Grade Air Circulation

This 18-inch industrial wall-mount fan is engineered for high-performance air circulation in demanding environments such as factories, warehouses, and workshops. Featuring a durable metal construction and a protective radial grill, it combines safety with robust airflow capabilities. The wall-mounted design optimizes floor space while ensuring consistent cooling performance.

Technical Specifications

Fan Size	18 inch
Motor Composition	Aluminum & Copper Mix
Motor Size	98*14 mm

Performance

Speed Settings	3
Control Method	Rope Control

Construction

Number of Blades	3
Blade Material	Iron
Grill Type	120 PCS Radial Grill

Electrical

Voltage/Frequency	220V/50Hz
Power Cord Details	2*0.5mm ² *1.8M with two round plug

Logistics

Packaging	2 PCS per 5-layer white box
40'HQ Capacity	2650 PCS
FOB Port	Shenzhen
