Overview

High-Performance Soundproof Power Solution

This 180kW soundproof diesel generator set is engineered for reliability in noise-sensitive environments, including hospitals, schools, and commercial buildings. Featuring a robust water-cooled engine and advanced control systems, it delivers stable AC three-phase power. The unit is designed for durability and ease of use, with options for automatic transfer systems and remote control to meet diverse operational needs.

Technical Specifications

Prime Power

180 kW
Prime Power

225 kVa
Prime Power

Standby Power

198 kW
Standby Power

248 kVa
Standby Power

Rated Voltage	400/230V
Frequency	50 Hz
Engine Speed	1500 RPM
Output Type	AC Three Phase

Components

Engine Model	BF6M1013FCG3 (Water Cooled)
Alternator	Stamford
Controller	Deep Sea

Features & Options

Available Options

- Automatic Transfer System (ATS)
- Preheater
- Remote control
- Automatic Synchronization System (ASS)
- Trailer mount

Key Advantages	Fuel saving, Lower noise level, Waterproof
----------------	--

Compliance

Certifications

CE • ISO9001

Warranty	1 year or 1200 working hours
