

180mm Adjustable Cutting Angle Power Saw

This power saw is equipped with a 560W motor and operates at 230V~/50Hz with a speed of 2950min-1. It is designed for making 45° and 90° cuts, with an adjustable cutting angle from 0° to 45°.

Product Overview

Precision Cutting Power

This 180mm adjustable power saw is engineered for precision and reliability in demanding work environments. Featuring a robust 560W motor and an IP54 protection rating, it is built to handle consistent cutting tasks with ease. With an adjustable cutting angle ranging from 0° to 45°, it offers the versatility needed for both 45° and 90° cuts, making it an essential tool for professional workshops.
