

185mm 1500W Circular Saw for Woodworking

This 185mm circular saw is equipped with a 1500W motor. It is designed for cutting wood with precision, featuring a durable blade and adjustable base.

Product Overview

High-Performance Circular Saw

This 185mm circular saw is engineered for precision and efficiency in woodworking applications. Powered by a robust 1500W motor, it delivers consistent cutting performance suitable for both professional workshops and demanding DIY projects. The tool features a durable steel base and adjustable cutting capabilities to ensure accurate results across various angles.

Technical Specifications

Input Power

1500 W
Input Power

No Load Speed	4500 rpm
Voltage/Frequency	230V/50Hz

Cutting Capabilities

Cutting Capacity

Angle	Depth
90°	67
45°	46

Blade Specifications	185mm Diameter, 24T, Steel Base
----------------------	---------------------------------

Construction & Design

Build Materials

Aluminum Motor House • Steel Base

Electrical Features

- VDE Plug
- 2m Cable Length

Logistics

Packaging	Color box
