

185mm Circular Saw for Woodworking and Construction

This circular saw delivers precision cutting for a variety of materials. Its 185mm blade and powerful motor ensure clean and efficient cuts in woodworking, construction, and DIY tasks.

Product Overview

Professional 185mm Circular Saw

This powerful 185mm circular saw is engineered for precision cutting in both woodworking and construction environments. Featuring a high-performance 1300W motor, it delivers efficient results and clean cuts for demanding tasks. Its durable construction and ergonomic design ensure comfortable, reliable operation for professional projects.

Performance Metrics

Input Power

1300 W
Power

No Load Speed

5200 rpm
Speed

Cutting Capacity

Blade Diameter	185 mm
Max Cutting Depth (90°)	63 mm

Electrical Specifications

Rated Voltage	230-240V
Frequency	50 Hz

Physical Dimensions

Net Weight	5 kg
Packing Dimensions	34 x 28 x 27 cm
