

18V Brushless Cordless Impact Drill

This 18V brushless impact drill is designed for drilling and fastening applications. Its brushless motor delivers enhanced performance, longer runtime, and increased durability.

Product Overview

Professional Grade Performance

This 18V Brushless Cordless Impact Drill is engineered for versatility and power across a wide range of drilling and fastening applications. Featuring an advanced brushless motor, it offers superior runtime, enhanced durability, and consistent performance compared to traditional brushed models. With precise torque control and variable speed settings, this tool provides the accuracy required for professional-grade results in both wood and steel.

Technical Specifications

Model Number	BCLS0101T
Power System	18V, Li-ion, Brushless

Performance Metrics

Key Performance Metrics

80 N.m Max Torque	1850 RPM Max Speed	20000 BPM Max Impact Rate
-----------------------------	------------------------------	-------------------------------------

Drilling Capacity

Material	Max Capacity
Wood	35mm
Steel	13mm

Operation & Control

Speed Ranges

- 0-600 RPM (Low)
- 0-1850 RPM (High)

Torque Settings	23
Chuck Size	13 mm
