

18V Cordless Drill Driver with 4Ah Battery

This 18V cordless drill driver is designed for a wide range of drilling and driving applications. It features a high-performance motor and a 4Ah lithium-ion battery for extended runtime.

Product Overview

Professional Cordless Drill Driver

This 18V cordless drill driver is engineered for versatility and reliability in demanding work environments. Featuring a high-performance two-speed gearbox and a long-lasting 4Ah lithium-ion battery, it provides consistent power for various drilling and driving tasks. Designed with the professional in mind, it includes convenient features like an integrated LED work light, a belt clip for portability, and rapid charging capabilities.

Technical Specifications

| | |
|-------------------|-------------------------------------|
| Voltage | 18 V |
| Battery Capacity | 4 Ah |
| Quick Charge Time | 1 hour |
| Gearbox | Two-speed powder metallurgy gearbox |

Features & Benefits

Key Features

- Built-in LED work light for dark areas
- Short circuit protection
- Battery capacity indicator
- Automatic battery ejection system
- Belt clip for high-altitude operation
