

18V Cordless Lithium-Ion Drill Driver

This 18V lithium-ion cordless drill is designed for drilling and fastening. It features a variable speed motor, adjustable clutch, and keyless chuck.

Overview

Professional Cordless Performance

This 18V cordless drill driver features a durable brushless permanent magnet motor designed for high efficiency and a long working life. Equipped with a soft-grip handle and an ergonomic design, it ensures comfort during extended use while providing the power needed for various drilling and fastening tasks. The inclusion of a 1-hour quick charge system and mechanical two-speed settings makes it a versatile tool for professional job sites.

Technical Specifications

Maximum Torque

38 N.m

Max Torque

Battery Voltage	18 V
Battery Capacity	1500 mAh
Charging Time	1 hour
Keyless Chuck Range	0.8-10mm

Performance

No-Load Speed

- 0-400 r/min (Low)
- 0-1400 r/min (High)

Key Features	Brushless Motor, Variable Speed, Reverse Switch, Soft Grip, Two-Speed Gearbox
