Product Overview

High-Intensity 18W LED Work Light

This 18W LED work light is engineered for demanding environments, utilizing six high-power LEDs to deliver a focused spot beam. Encased in a rugged aluminum die-cast housing, it ensures superior heat dissipation and durability for long-term reliability. Designed for versatility, this unit is suitable for off-road vehicles, construction sites, and emergency lighting applications.

Technical Specifications

Power Output

18 W

Total Power

6 pcs

LED Count

Beam Type

Spot Beam

Operating Voltage

DC 10-30V

Construction & Materials

Housing Material

Aluminium Die Cast

LED Configuration

6 x 3W High Power LEDs
