Overview

High-Performance Power Adapter

This 180W AC/DC power adapter is designed to provide reliable and efficient power for high-demand notebook computers. It features advanced synchronous rectifier technology for enhanced stability and safety, including under-voltage and over-temperature protection. Built with high-quality materials and compliance with international safety standards, this adapter ensures a stable power supply for your critical equipment.

Technical Specifications

Total Power Output

180 W

Rated Power

AC Input Voltage	100 - 240V
Input Frequency	50-60Hz
DC Output Voltage	19.5 V
DC Output Current	9.23 A
DC Plug Size	5.5 mm x 2.5 mm

Compliance & Safety

Protection Features

- Under-voltage protection
- Internal over-temperature protection
- Synchronous Rectifier (SR) controller

Certifications	CE, FCC, RoHS
----------------	---------------

Package Contents

What's in the Box

- 1 x 180W AC/DC Power Adapter
- 1 x Package Box

Warranty & Support

Warranty & Support

- 1 month money return guarantee
- Lifetime warranty
- 24/7 email support
