

1x4 UL Edge-Lit LED Panel Light

This 1x4 UL edge-lit LED panel light provides uniform and energy-efficient illumination. Its slim design allows for easy installation in various applications.

Product Overview

Professional LED Illumination

The 1x4 UL Edge-Lit LED Panel Light offers a versatile and energy-efficient lighting solution for commercial environments. Featuring adjustable power settings and color temperatures, this panel provides customizable illumination to suit various spaces like offices and schools. Its slim, edge-lit design ensures uniform light distribution, while the 0-10V dimming capability and long 5-year lifespan significantly reduce maintenance and energy costs.

Physical Specifications

Dimensions	303 x 1213 x 10 mm

Performance Metrics

Selectable Power

- 25
- 30
- 36

Selectable Color Temperature

- 3500K
- 4000K
- 5000K

Luminous Efficacy

110 lm/W

Low Range

125 lm/W

High Range

Technical Features

Certifications	UL, DLC 5.0
Dimming Compatibility	0-10V
Rated Lifespan	5 years
Junction Box	Yes
