

2-8 Ton Tipper Truck

This tipper truck is designed for heavy-duty material transport, with a capacity ranging from 2 to 8 tons. It is equipped with a durable chassis, a high-capacity tipping bed, and a powerful engine for efficient operation.

Overview

Robust Tipper Truck for Heavy-Duty Transport

This 4-ton tipper truck is engineered for reliability in demanding environments like construction sites and mining operations. Featuring a powerful 113 HP diesel engine and a high-capacity hydraulic tipping bed, it ensures efficient material transport and smooth unloading. The vehicle combines a durable chassis with a comfortable, ergonomic cabin design to support long hours of operation.
