Product Overview

Versatile Cleaning Solution

This 2-in-1 corded vacuum cleaner offers a flexible design that easily converts from a full-length stick vacuum to a compact handheld unit. Engineered for efficiency, it features a powerful motor and a cyclonic filtration system to ensure consistent suction performance across various surfaces. Its lightweight build makes it an ideal choice for quick cleanups, upholstery, stairs, and reaching tight spaces without the interruption of battery life constraints.

Performance Metrics

Core Performance

600 W

Motor Wattage

110 W

Suction Power

15 kpa

Suction Pressure
