

2-in-1 Handheld Steam Cleaner and Mop

This 2-in-1 handheld steam cleaner and mop provides versatile cleaning solutions. It effectively removes stubborn stains, sterilizes, and kills bacteria with high-temperature steam.

Overview

Versatile 2-in-1 Cleaning Solution

The 2-in-1 Handheld Steam Cleaner and Mop is a highly efficient cleaning tool designed to tackle grease, grime, mold, and stains without the need for harsh chemicals. With a powerful 1200W output and adjustable steam intensity, it adapts seamlessly to various surfaces including ceramic tiles, granite, wood floors, and upholstery. Its rapid 25-second preheating time and lightweight design make it an essential appliance for maintaining a hygienic environment.
