Product Overview

Versatile Climate Control

This 2-in-1 PTC Vortex Fan Heater with Humidifier offers a comprehensive solution for year-round climate management. Combining rapid PTC heating technology with powerful vortex air circulation, it ensures efficient temperature control and even airflow distribution. The integrated humidifier and purifying filter work together to maintain a comfortable and healthy indoor environment, while the low-noise design makes it suitable for quiet spaces.

Performance Metrics

Heating Speed

3 seconds

Rapid Heating

Airflow Velocity

6 m/s

Air Flow

Noise Level

45 dB

Features

Key Features

- 2-in-1 Heating and Cooling functionality
- Integrated Humidifier
- Built-in Air Purifying Filter
- Top-mounted control panel
- Hawk-wing mimic design for low noise
