

2-in-1 Rolling Tool Chest and Cabinet Combo

This 2-in-1 tool cabinet features a detachable top chest with drawers and a rolling base cabinet. The base has deeper drawers and a large storage compartment, plus smooth-action slides and a powder-coated finish.

Product Overview

Professional Tool Storage Solution

The XTB220 is a versatile 2-in-1 rolling tool chest and cabinet combo designed for efficient organization in workshops and garages. It features a detachable top chest with 6 drawers and a bottom cabinet with 2 drawers plus a large storage compartment, perfect for power tools and machinery. Built with durable steel and a powder-coated finish, it offers excellent resistance to wear and tear while ensuring smooth operation with ball-bearing slides.
