

2 lb Ball Pein Hammer with Fiberglass Handle

This is a 2 lb ball pein hammer. It features a fiberglass handle for enhanced comfort and control during use.

Product Overview

Professional Grade Ball Pein Hammer

This 2 lb ball pein hammer is designed for precision and durability in metalworking, shaping, and striking applications. Featuring a robust polished steel head and a high-strength fiberglass handle, it offers excellent shock absorption and balance. The textured grip ensures comfort and control, making it a reliable tool for professional workshop environments.
