

2 lb Ball Pein Hammer with Fiberglass Handle

This ball pein hammer features a 2 lb head for effective metal shaping. The fiberglass handle is designed with an ergonomic grip for comfort and control.

Product Overview

Professional Grade Ball Pein Hammer

This 2 lb ball pein hammer is engineered for precision metalworking, riveting, and shaping tasks. It features a durable, high-quality steel head paired with a resilient fiberglass handle designed to absorb shock and provide a secure, ergonomic grip. Ideal for workshop environments, this tool combines balanced weight with robust construction for consistent performance.
