

2 x 20V Cordless Electric Lawn Mower

This cordless lawn mower is powered by two 20V batteries for efficient grass cutting. It features adjustable cutting heights and a collection bag.

Product Overview

High-Efficiency Cordless Mowing

This 2x20V brushless lawn mower is engineered for powerful and efficient lawn maintenance. Featuring a durable brushless motor design, it provides extended runtime and reliable performance for small to medium-sized lawns. The ergonomic handle and lightweight construction ensure comfortable operation, while the large collection capacity minimizes downtime.
