

20-Inch Portable Box Fan

This 20-inch box fan provides a portable and efficient cooling solution. Its high-performance motor delivers powerful airflow, while its lightweight design and carry handle allow for easy movement.

Product Overview

High-Performance Portable Cooling

This 20-inch portable box fan is designed to deliver efficient and powerful airflow for home or office environments. Featuring a robust 5-blade plastic design and a reliable synchronous motor, it ensures effective cooling while maintaining energy efficiency. Its compact, lightweight construction with an integrated handle makes it an ideal solution for versatile placement on floors, tables, or windowsills.

Technical Specifications

Power Consumption

50 W

Rated Power

Fan Size	20 inch
Voltage/Frequency	220V/50Hz
Motor Type	Synchronous Motor
Motor Dimensions	74*20mm
Motor Material	Copper Clad Aluminium

Design & Features

Speed Settings

- 3 Speed Levels
- Off Switch

Blade Count	5
Blade Material	Plastic
Height	60-65 cm
Control Interface	Rotary Switch
Plug Configuration	Two Round Plug
