Product Overview

Premium Insulated Hydration

This 20 oz stainless steel water bottle features advanced double-wall vacuum insulation reinforced with a copper liner for superior temperature retention. Crafted from food-grade 18/8 stainless steel, it is non-toxic, BPA-free, and designed to withstand daily use without rust or metallic aftertaste. The powder-coated exterior ensures a durable, sweat-free grip, making it an ideal companion for office, gym, or outdoor activities.

Performance & Insulation
