Overview

High-Performance 20-Ton Shop Press

This high-quality floor-standing 20-ton hydraulic press offers a flexible and adaptable design suitable for a wide range of installation and pressing tasks. The robust frame provides excellent strength and maximum adjustability to accommodate various workpiece sizes. Equipped with a fluid-filled gauge for accurate monitoring, this press is an essential tool for automotive repair shops, metalworking facilities, and general industrial applications.

Technical Specifications

Capacity	20 Ton
Ram Travel	145 mm
Maximum Working Depth	1030 mm
Free Width	500 mm

Dimensions & Weight

Total Height	1860 mm
Total Width	780 mm
Net Weight	90 Kg
Gross Weight	95 Kg

Features

Key Features

- Floor standing design
- Fluid filled pressure gauge
- Adjustable work table
- Hand-operated hydraulic pump

Compliance

CE Certified
