

# 2000W DC Hair Dryer with Cool Shot

This professional hair dryer features a powerful DC motor. It has multiple heat and speed settings, a cool shot function, and a concentrator nozzle.

## Product Overview

### Professional Styling Power

This 2000W DC hair dryer is designed for professional-grade styling and fast drying performance. It features a versatile 3-heat and 2-speed setting configuration, allowing for precise control over airflow and temperature. The inclusion of a cool shot function helps lock in styles, while the ergonomic design and removable mesh cover ensure both comfort and easy maintenance.
