

2000W Electric Table Saw

This is a 2000W table saw designed for accurate cutting of wood and other materials. It features a durable table, adjustable blade height and angle, and a safety guard.

Product Overview

High-Performance Cutting Solution

This 2000W electric table saw is engineered for precision and durability in demanding workshop environments. With a robust motor and versatile cutting capabilities, it handles wood and various materials with ease, offering both stability and accuracy for professional projects. The design includes essential safety features and an expandable work surface to accommodate larger workpieces effectively.

Technical Specifications

Input Power	2000 W
Voltage/Frequency	230V/50Hz
Duty Cycle	S6 40%

Performance

No-Load Speed

4800 rpm
Speed

Cutting Depth

Angle	Depth
90°	85mm
45°	53mm

Dimensions & Capacity

Table Dimensions	630 x 546mm
Extension Table	630 x 190mm (2pcs)

Blade Specifications

Blade Dimensions	Æ250mm Diameter, Æ30mm Bore, 2.8mm Thickness
