

200cc All-Terrain Vehicle (ATV) for Off-Road Use

This all-terrain vehicle is designed for off-road adventures. It features a durable frame and a 200cc engine for reliable power and performance.

Overview

Robust All-Terrain Performance

This 200cc all-terrain vehicle is engineered for reliable off-road performance and stability. Featuring a powerful 4-stroke, water-cooled engine and shaft drive transmission, it is built to handle diverse terrains with ease. Designed for both control and comfort, this ATV includes essential features like front and rear disc brakes and a 4-speed transmission with reverse, making it an ideal choice for recreational off-road adventures.
