

200cc Urban and Open-Road Motorcycle

This motorcycle is designed for both urban commuting and open-road riding. Its 200cc engine provides a balance of power and fuel efficiency.

Overview

Versatile Urban and Open-Road Performance

This 200cc motorcycle is engineered to provide a balanced riding experience for both daily city commuting and weekend open-road adventures. It features a robust engine design that prioritizes fuel efficiency without compromising on necessary power for highway speeds. With its sporty aesthetic, reliable dual-disk braking system, and stable handling, this bike offers a practical yet engaging solution for riders seeking a dependable daily transport.

Performance

Maximum Speed

90 km/h

Max Speed
