

200W LED Street Light 6500K IP65

This 200W LED street light emits 24000 lumens of 6500K daylight white light. Its IP65 waterproof rating ensures durability for outdoor use in streets, roads, parking lots, and garages.

Overview

High-Performance Outdoor Illumination

This 200W LED street light is engineered for durability and efficiency, delivering 24000 lumens of bright, clear light suitable for streets, yards, and public environments. Constructed from heavy-duty die-cast aluminum, it features an IP65 waterproof rating to withstand harsh weather conditions. The unit utilizes advanced SMD LED technology to provide consistent illumination while mitigating glare and circadian disturbance.
