

2012 Civic Headlight Assembly

This headlamp assembly is designed for the 2012 Honda Civic. It provides illumination for nighttime driving and enhances vehicle visibility.

Overview

Headlight Assembly for 2012 Model

This headlight assembly is engineered specifically to provide reliable illumination for nighttime driving and enhanced vehicle visibility. Designed with a clear lens and optimized reflector system, it ensures consistent light output and a precise beam pattern. The unit is constructed from durable materials capable of withstanding road debris and various weather conditions, ensuring long-term performance.

Technical Details

Factory Code	wt-27-A-B-101
Key Features	Clear Lens, Reflector Design, Integrated Turn Signal, Side Marker Lights

Installation

Mounting System	Yes
