

2.0L Stainless Steel Electric Kettle with Glass Body

This 2.0L electric kettle features a stainless steel heating plate and a durable glass body. It is equipped with clear water level markings, a comfortable ergonomic handle, and an automatic shut-off function for enhanced safety.

Overview

Premium Glass Electric Kettle

This 2.0L electric kettle combines a sleek, durable glass body with a high-performance concealed stainless steel heating element for efficient boiling. Designed for safety and convenience, it features automatic shut-off, boil-dry protection, and an integrated illumination light. The 360-degree cordless base ensures easy handling, making it a reliable and stylish addition to any professional or home kitchen environment.
