

20L Wet and Dry Vacuum Cleaner

This wet and dry vacuum cleaner is designed for household and light industrial use. Its 20-liter stainless steel tank reduces the frequency of emptying.

Product Overview

Versatile Cleaning Performance

The 20L Wet and Dry Vacuum Cleaner is a robust solution designed for both household and light industrial environments. Featuring a powerful motor, it handles both wet and dry debris with ease, making it perfect for garages, workshops, and vehicle maintenance. Its durable stainless steel construction and compact, maneuverable design ensure long-lasting reliability and ease of use in demanding cleaning tasks.
