Product Overview

Professional Performance Power Source

This 20V 2Ah Lithium-Ion battery pack is engineered to provide reliable, consistent power for a wide range of cordless tools. Designed with high-quality lithium-ion cells, it delivers fade-free performance and an optimal balance between capacity and weight. Its robust housing is built to withstand demanding job site conditions, while the integrated charge level indicator ensures users can monitor power levels to minimize downtime.

Technical Specifications

Maximum Initial Voltage	20 V
Nominal Voltage	18 V
Battery Capacity	2 Ah
Battery Technology	Lithium-Ion

Features

Key Features

- Integrated charge level indicator
- Robust housing for job site durability
- Quick-release mechanism
- Fade-free power delivery

Compatibility

System Compatibility	20V Cordless System, Professional Grade
