Product Overview

Professional Performance

This 20V Cordless Hammer Drill is a versatile power tool engineered for a wide range of drilling and fastening applications. Featuring a robust 2-speed gearbox and a variable speed trigger, it delivers precise control and optimal performance across various materials. Designed with ergonomics in mind, the tool ensures comfortable handling during extended professional use, making it a reliable addition to any toolkit.

Technical Specifications

Voltage	20 V
Battery Capacity	2 Ah
Chuck Capacity	0.8-10mm
